

# Celebrating Literacy in our Community

2018-19 ANNUAL REPORT

## Dear Friends of Literacy,

The sun is shining, the weather is warm, and TLC is buzzing with busy students. Summer has quickly become our busiest and favorite time here at TLC. We are thrilled to be in our second year of the summer SOAR program, providing 8 weeks of academics to students at risk of summer learning loss. Visit page 8 for all the details on this fantastic program.

We are proud to have increased the intensity of our program and offer more support to students. We served **449 students** last year: 80% of our students attended programs at least two days a week. **The average student received 103 hours of support.** Our impact in numbers for 2018-19 are outlined on pages 3 and 4.

As we celebrate the growth and success of our students, due to our incredible corps of volunteers, we are also looking to the future of TLC. Our Board of Directors is excited to announce the launch of our Legacy Literacy Society. We encourage you to learn more on page 10. Help us ensure the longevity of TLC through planned giving.

Thank you to each of you for your continued support of Teton Literacy Center. We are excited to collaborate and grow together.

Sincerely,

Laura, Soltau, Executive Director

Peter French, 2019-20 Board President

## Mission

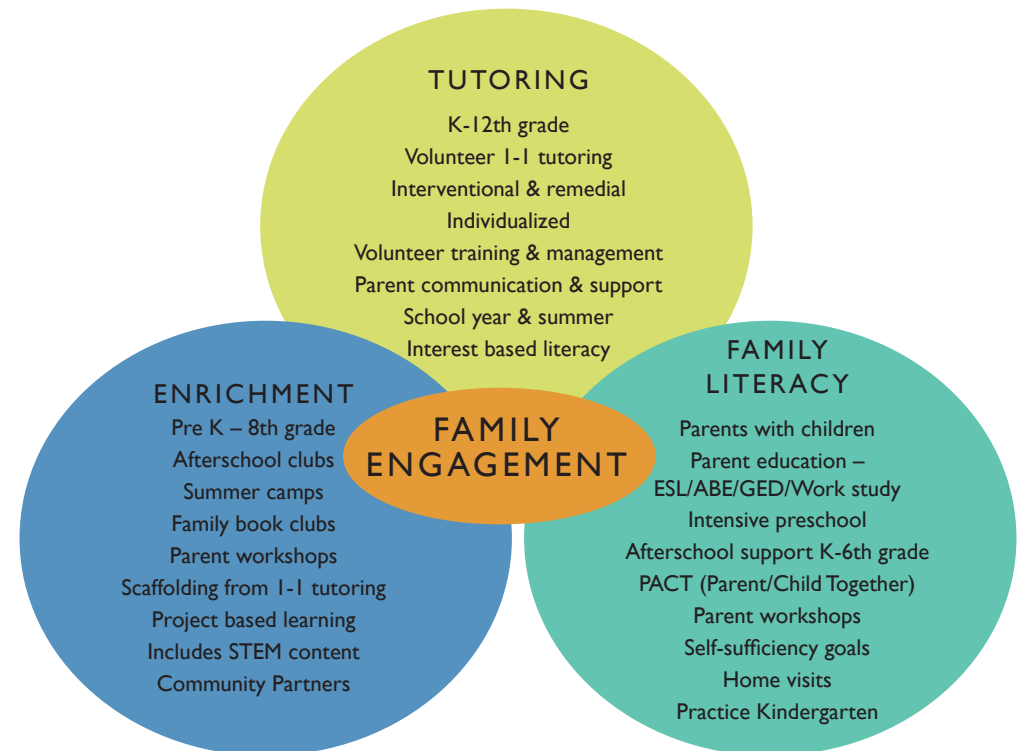

Changing lives through the power of literacy

## Vision

A literate community is one which members have the literacy skills necessary to not only function, but to thrive.

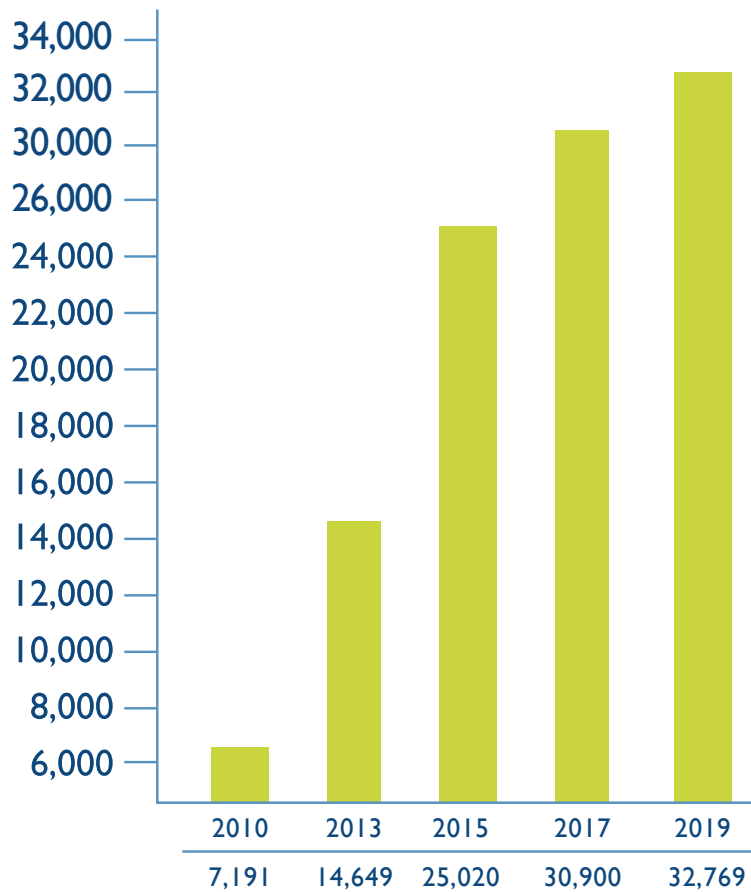

## What We Do

# FAMILY LITERACY

# Our Impact

GROWTH OVER PAST 8 YEARS  
IN STUDENT HOURS

**100%**  
of students  
and families  
have created  
an at-home  
reading practice

**328**  
families

**26**  
community  
partners

Over  
**490,000**  
minutes read by  
students during out  
of school time.

\*based on 15 minutes an hour  
of programming

**98%**

of parents saw an improvement in their child's confidence as a learner

The average tutoring student experienced **10 months** of growth in **6 months** or 25 hours of tutoring.

**2,080**  
volunteer hours

**32,769**  
student hours

**449**  
students

**554**  
donors

**1,030**  
books donated to families

**117**  
volunteers

# Tutoring Program

## Student Success Stats:

- 100% of volunteers surveyed enjoyed their experience tutoring at TLC.
- The average student experienced 10 months of growth in 6 months, 25 hours of tutoring.

“TLC GIVES STUDENTS IN OUR COMMUNITY THE OPPORTUNITY TO BUILD UPON THEIR SKILLS AND CONFIDENCE, AND THEREFORE SETTING THEM UP TO BE SUCCESSFUL IN THE CLASSROOM.”

– TCSD Teacher

## A Tutoring Story

Introducing Tiffany and her tutor, Kris! Tiffany joined TLC programs as a Practice Kindergarten student in 2017 and continued in both our Enrichment and Tutoring programs. Tiffany was then selected to join our SOAR Pioneers Cabin last summer, providing her with year-round learning that allowed her to start first grade reading at grade level!

Upon diving into our mid-year data, it became clear that Tiffany has made significant growth this year—indeed, Tiffany has shown 8 months of growth in just 4 months! Her growth illustrates the effectiveness of TLC and our ability to help students gain two months of literacy growth for every month they spend in our tutoring program. Tiffany is currently reading 3 months ahead of the benchmark for her grade level!

Tiffany will continue to work with Kris, who provides a safe, caring and fun environment. With Kris's support we hope that Tiffany will finish the school year above grade level and ready to go into the summer season more ready to learn than ever!

# Family Literacy Program

## Student Success Stats:

- 100% of TLC families were reading at home, with their child by the end of the year.
- 100% of our TLC parents attending English Classes regularly felt more involved and connected with their community after participating in our Adult program for 9 months
- 100% of our TLC pre-k parents felt that their child was ready for entering Kindergarten in the Fall.

## A Family Success Story

Isabel is a mom of four: Samantha, Isaac, Katrina, and Elvis. Isabel first came to TLC in fall 2018 to enroll her youngest, Sami, into Literacy Lab. Through our Family Literacy program, Isabel also enrolled in our ESL evening classes. Through ESL classes and our Language Exchange Program, Isabel has worked on her goals of becoming a more independent parent by expanding her vocabulary, feeling confident speaking in English and becoming better at using a computer.

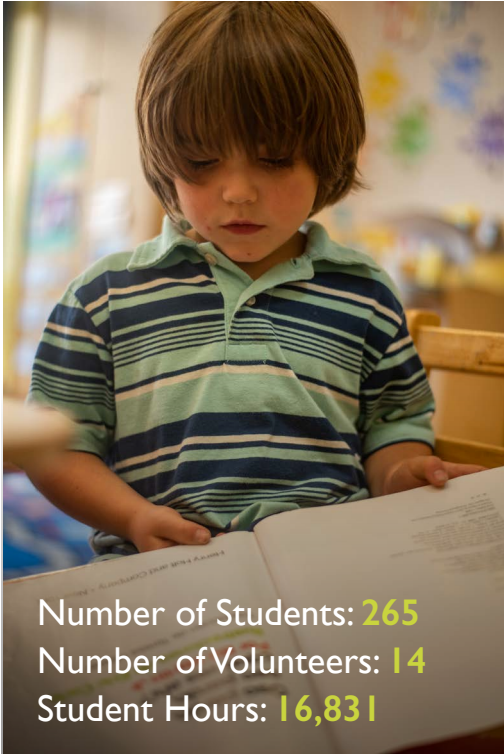

Isabel works over 40 hours at her full-time job in town, helps her children with homework, takes care of her mother, mother-in-law, father, and bakes in her free time for her own baking business! After almost two years of ESL, reading every night from her ESL book and meeting with her Language Exchange partner, Isabel has been able to expand her vocabulary so much that she felt comfortable in applying for a job promotion, which she received! As she states, "Today, I feel the strongest version of myself, and I owe it all to TLC's support". Isabel also attended parent workshops focused on financial literacy and computer skills, so she can one day take her baking business as her full-time job and do what she loves every day!

TLC HAS BEEN INSTRUMENTAL IN HELPING ME BE ABLE TO NAVIGATE MY COMMUNITY, AS WELL AS HELP ME AND MY DAUGHTER THROUGH TUTORING AND ENGLISH CLASSES. I AM VERY THANKFUL FOR TLC."

- Neyvi Loeza

# Enrichment Program

Number of Students: **265**  
Number of Volunteers: **14**  
Student Hours: **16,831**

## Student Success Stats:

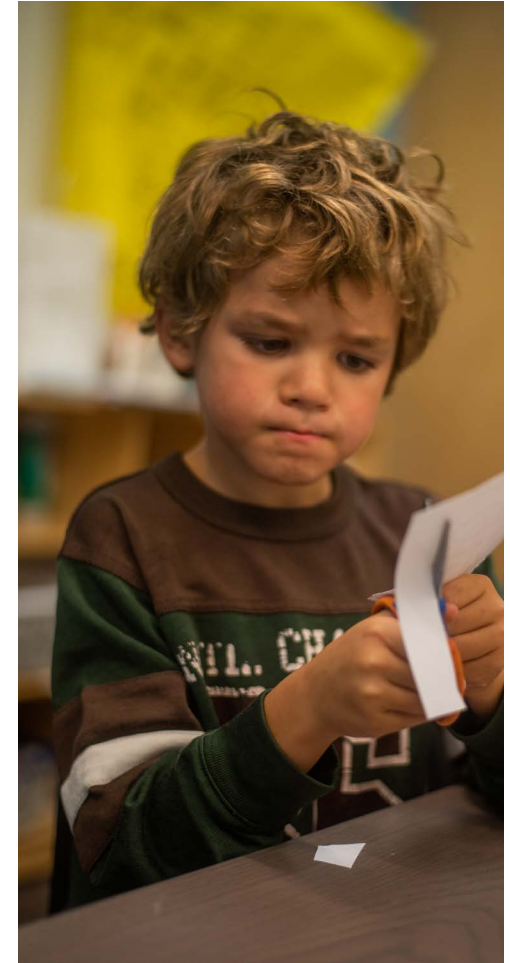

- 100% of parents believe that TLC provides a safe and engaging space for their student(s) after school.
- 98% of parents have seen an improvement in their child's confidence as a learner since starting at TLC.

## An Enrichment Story

Students in our Movie Magic Enrichment Club at TLC aimed to answer one question during their session: How do we effectively tell a story through film?

In exploring this driving question, the students went through the entire process of writing a story, including crafting themes, plots and character development. They studied set and costume design using books and movie trailers and used this knowledge to create their own. They worked together to direct each other and their films, integrating the many social-emotional skills required for group projects.

The final outcome was two wonderful movies – one about circus performers and corndogs, the other about a magical teacher and his students turned vampires!

“EVERY STUDENT WHO PARTICIPATES IN TLC IS POSITIVELY IMPACTED AND IT SHINES THROUGH THEIR GROWTH MADE IN SCHOOL SOCIALLY AND ACADEMICALLY.”

– TCSD Teacher

# SOAR

## TLC provides year round support through intensive summer programming

SOAR is an 8-week intensive academic summer program that prepares students for their next school year and beyond by focusing on high level literacy, vocabulary and math instruction and applying the skills students learn through enrichment opportunities. Teton Literacy Center launched this program in 2018 to extend services to at-risk students. SOAR collaborates with the local school district and community partners to provide a high quality educational experience and connect lifelong learning to the classroom. SOAR works to combat the average 2-3 month learning loss that low income students see during summer months. Mornings are focused on academics through differentiated reading and math instruction, while afternoons integrate STEAM efforts and community field trips.

SOAR at TLC was developed out of Teton Literacy Center's strategic planning process. A community need task force was created which consisted of TLC staff, board members and community members including school district personnel. After looking at our current efforts and needs in our community, it was determined that summer was an opportunity for intensified student support. SOAR was born.

This program is funded through the generous support of the Community Foundation of Jackson Hole.

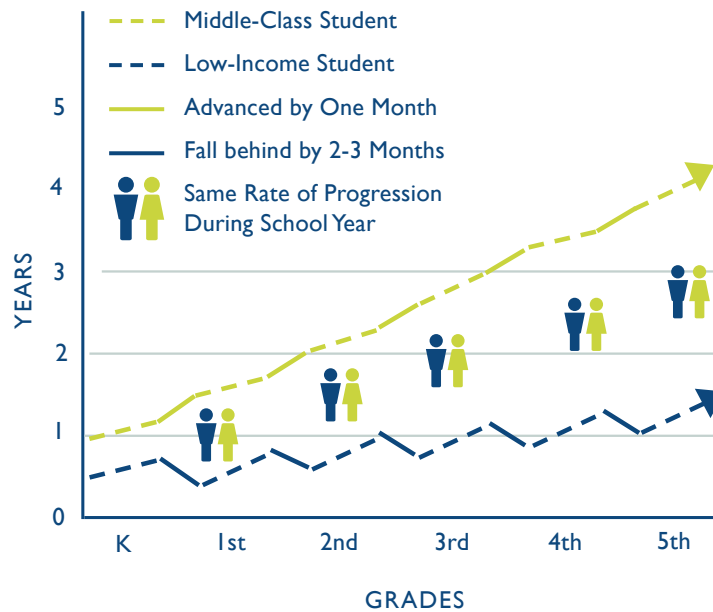

### Success Stats:

- 98% of students K-7th illustrated maintenance or growth in reading, as opposed to average 2 months of summer reading loss.
- The average student gained 2.7 months in reading during the 8 weeks.
- 100% of students K-2 illustrated maintenance or growth in math.

### By the Numbers:

- SOAR summer program (K-7th) : 71 Students
- Practice Kindergarten (entering K): 59 Students
- Total number of student hours: 10,383

### LOW-INCOME STUDENTS FALL 2.5 TO 3 YEARS BEHIND BY 5TH GRADE

# Thank You Volunteers

Our volunteers motivate, encourage, and support students and families with reading and writing development. They instill a love of learning in our students of all ages. They are instrumental to the success of TLC and our students. Thank you!

## Volunteer of the Year - Debbie Schlinger

Teton Literacy Center would like to recognize Debbie Schlinger as TLC's Volunteer of the Year! Debbie has been a Teton Literacy Center board member and volunteer tutor since 2014. She has played an integral role in our organization, ensuring we continue to thrive and serve our community. She is an incredible support within all of our programs at Teton Literacy Center.

She consistently goes above and beyond by attending TLC events and workshops, and she even performed in Jackson's Got Talent (side note: she's an amazing tap dancer). Debbie is a huge asset to our tutoring program serving her student and helping us recruit volunteers. She provides a safe, fun and educational space for her tutoring student. Her student's reading level has grown from a Kindergarten level to well over a first grade reading level! This significant growth can be attributed to Debbie's patience, kindness and overall approach to teaching/tutoring.

She also uses her experiences as a librarian and English teacher to work with our preschool students each month by providing storytime. Sometimes, she even comes dressed as the character of the story! If you take a look around the classroom while Debbie reads aloud, you can see every student hooked to her every word, with a big smile on their faces and loving literacy through Debbie.

Thank you to Debbie and all of our volunteers.

## Make a difference in the life of a student. Become a volunteer today!

Volunteers are matched based on interests, schedule, abilities, and program needs. No experience necessary. For more information, please call 733-9242 or email [Carisa@tetonliteracy.org](mailto:Carisa@tetonliteracy.org).

# Literacy Legacy Society

Teton Literacy Center is excited to announce the formation of the Literacy Legacy Society. This group is dedicated to ensuring a lasting legacy of education and literacy support in our community. This society is a way of building a testament to the lives and values of the community that has supported this center since the beginning. Including Teton Literacy Center in your planned giving and estate planning is ensuring the children and families of our community have access to high quality educational resources for years to come. Together we can close the achievement gap. Live a legacy. Leave a legacy.

Thoughtful planned giving is an ideal way to support Teton Literacy Center as it allow for future revenue streams that will sustain TLC programs. Planned giving options create legacies for both our donors and for TLC. There are numerous planned giving options including:

- **Bequests:** A bequest is a testamentary gift by will or revocable/living trust that enables the donor to keep assets during lifetime, but support TLC through a lasting legacy. This is one of the most common vehicles for planned giving. Bequests can take a variety of forms including designating a specific amount of money, a particular asset, a percentage of the total estate, or a residual gift.
- **Gifts of Retirement Plans/IRAs:** Teton Literacy Center can be designated as a beneficiary for all or a portion or all of a retirement plan. Designating TLC as the recipient of your “qualified charitable distributions” through IRA rollovers is also a vehicle for planned giving.
- **Gifts of Life Insurance Policies:** Teton Literacy Center can be easily added as a beneficiary to life insurance policies. TLC can also be gifted the policy directly.
- **Charitable Lead and Remainder Trusts:** These planned giving options allow for donors to pass assets to their children and grandchildren while also supporting the sustainability of Teton Literacy Center through a significant gift.

## Student Story

I started using Teton Literacy services when I was in middle school. I needed help with my English class and math class, so they provided a tutor. I worked with her all year and I was able to develop new skills. My tutor would also help me with anything I needed and in other subjects in school. Through this experience, I learned that it important to ask for help and that there are resources in the community that can help me succeed.

Teton Literacy Center helped me create a future that included life-long learning. After I graduated from Journeys School I decided to attend the University of Wyoming. I recently graduated with a degree in Human Development and Family Science. I enjoy working with families and children. This summer I chose to come back to TLC for my internship hours and give back to our community. I chose TLC because

it's an organization that truly helps kids and families. During my time here I have been able to learn and grow in many different ways. I have also been able to see the impact that TLC has on our community.

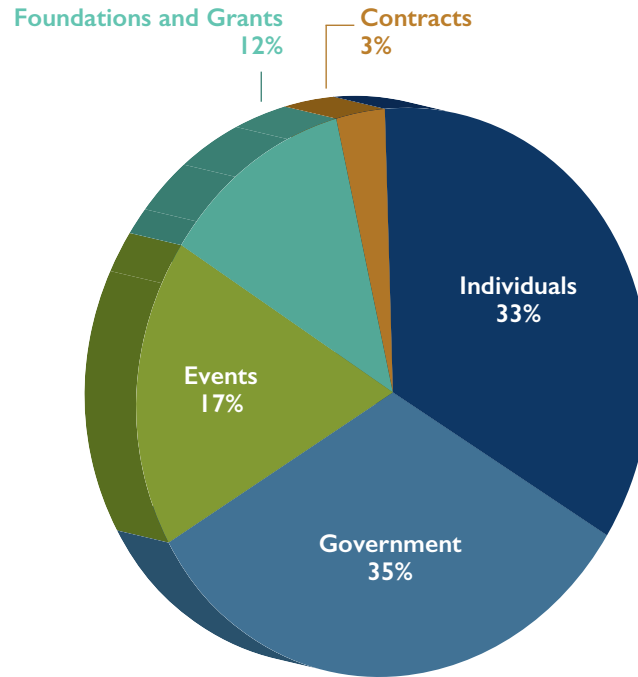

Teton Literacy Center works closely with our community to provide high quality services efficiently. We are partners in community collaboratives, like System of Care and System of Education, to help move our community forward while ensuring we aren't duplicating efforts. Thank you to our partners for working with us towards our mission.

# Financials 2018-19

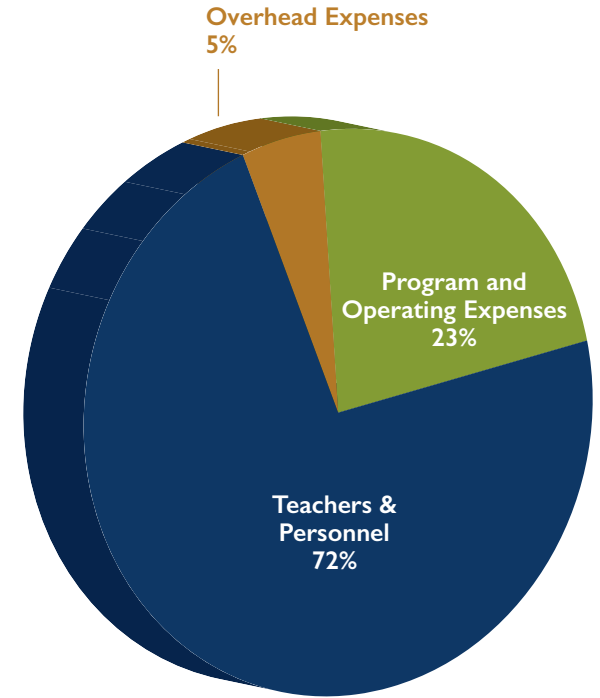

## Revenue Sources

**Total Revenue**  
**\$1,042,339**

*(This does not include non-operating revenue of \$13,747 of interest and \$70,000 of donations from multi-year pledges to the 2016 Sustainability Campaign)*

## Expenses

**Total Expenses**  
**\$723,395**

Teton Literacy Center is a 501 (c)3 non-profit organization that has operated through the generosity of this community since 1992. Located in Flat Creek Business Center at 1715 High School Road # 260, we own our building and operate rent free. We derive our revenue from charitable giving by individuals, foundations, family trusts, community organizations, corporations, and state literacy programs. The generous support from our funders enables us to offer our programs free of charge.

# Thank You Donors

## July 1, 2018 - June 30, 2019 Donors

Support from our donors allows the Teton Literacy Center to further our mission of changing lives through the power of literacy. Contributions directly support the FREE programs we provide to the families and children of Teton County, Wyoming. We are grateful for the gifts we received from the following donors between July 1, 2018 and June 30, 2019. We apologize for any errors or omissions.

## Upcoming Events

November 8, 2019  
 Jackson's Got Talent

February 2020  
 Sponsor a Reader Challenge

Photography by: Lina Collado and TLC Staff

## Student Success Stat:

80% of TLC students read at home at least 4 times a week after attending TLC programs, compared with 43% before starting programs.
