

Teton Literacy Program Tutor Log & Progress Report

This log is a mandatory component of working with our program. As a growing non-profit business we are accountable to the community, including donors and supporters, to give statistical information regarding the amount of time our program is giving back to the community. We are also affiliated with other literacy organizations that need statistical information. To continue our growth and receive funding it is imperative that we have this information. With your cooperation this form should allow us to continue our success.

NAME: _____ PHONE: _____

No, I am no longer tutoring. Yes, I am still tutoring.

Learner's Name: _____

ESL Adult Literacy Child CES

*****Please include your number of preparation hours as well.*****
